Paper registers needed

Everything your gym runs on, finally in one place.

✗ WITHOUT HDMN | GYM

- ✗ Registers, Excel sheets and WhatsApp chats everywhere
- ✗ Expired members keep training, dues are forgotten
- ✗ No idea of real monthly revenue or PT income
- ✗ Calling every member manually for renewals

✓ WITH HDMN | GYM

- ✓ Every member, plan and payment in one live dashboard
- ✓ Expiry tracked to the day, accounts auto-suspended
- ✓ Revenue, dues and expenses calculated for you
- ✓ Automatic WhatsApp reminders before plans expire

Member management

Add, renew, change plan, hold, transfer or lock members in seconds. Full history per member.

Billing & invoices

PDF invoices with your GSTIN, partial payments, dues, discounts, coupons and profile credit.

Online payments

Members renew and pay online from their phone — or request "pay at gym" in one tap.

Personal training

Trainers, PT plans, PT billing, schedules and a dedicated trainer app with today's sessions.

Workout & diet plans

Weekly workout plans with real exercise demos, and diet charts members see in their app.

WhatsApp automation

Expiry reminders, renewal confirmations, invoices and broadcast messages — automatically.

Revenue & expenses

Month-wise revenue, collections, PT income and expenses — know exactly where you stand.

Progress tracking

Weight and body measurements logged by trainers, with progress charts for members.

Multi-branch & staff

Run every branch from one login. Sub-admins see only what you allow.

Lockers

Assign lockers, track rent, deposits and availability at a glance.

QR parking pass

Every member gets a QR pass; staff scan it at the gate from any phone.

Notices & enquiries

Post announcements to every member's app and never lose a walk-in enquiry.

Every member. Every rupee. One screen.

See who is active, who is expiring this week and who still owes money — then renew, collect or remind with a single tap.
